CHEROKEE FAMILY DISCOUNT

Forms are due two months before the project.

Dear Cherokee Team Leader,

To help families who would like to take part in our mission trips, we are sometimes able to offer family discounts. The Cherokee project has this type of discount. **The discount applies only to spouses and parents with children attending the project together.** It does not apply to grandparents, siblings attending without a parent, or children attending with a family other than their own. It also does not apply to participants who are receiving a kitchen worker discount. Please return your form on time. Late forms may not qualify, as food and other supplies have already been purchased.

- **Age 13-18** $100 discount
